

## UGU SOUTH COAST TOURISM

# SECTORAL INVESTMENT PROSPECTUS DECEMBER 2017 (Q2)

## Ugu South Coast Tourism- Sector Investment Prospectus

### 1 INTRODUCTION TO OUR PROSPECTUS

This tourism investment prospectus has been crafted as an information mechanism for prospective investors from the public and private sector seeking projects and business opportunities in tourism and leisure within the Ugu District Municipality which is headquartered at Port Shepstone.

The district includes the Ray Nkonyeni, Umdoni, Ezinqoleni, Umzumbe and Umuziwabantu Local Municipalities.

Our destination area encompasses the entire 120 km from Scottburgh in the north to Port Edward in the south and includes the famous resort towns of Margate, Scottburgh, Port Edward and Shelly Beach. There is also a plethora of quaint seaside villages and hamlets all along the coast. The outstanding rural hinterland in the district stretches as far west towards Harding which is one hour from the coast.

More commonly known as The South Coast of KwaZulu Natal- our area encompasses some of South Africa's favourite tourism destinations, attractions and visitor experiences. Our rightful marketing slogan is *South Coast- Paradise of the Zulu Kingdom*.

We invite you to join us in the growth of our tourism and leisure sector within one of South Africa's pinnacle destination areas.

### 2 THE SOUTH COAST- PARADISE OF THE ZULU KINGDOM

For decades the Greater South Coast has been recognised as one of the most popular holiday and lifestyle destinations in South Africa.

Many consider our sub tropical playground as “South Africa’s Own Caribbean”.

We have an abundance of tourism assets, attractions and experiences set within pristine coastal and hinterland environments that have consistently hosted domestic and foreign visitors and in many instances secured subsequent investment in property and tourism/leisure related projects and other business enterprises within the sector’s value chain.

The tourism product mix is excellently presented via 9 Southern Explorer Routes (view our website [www.tourismsouthcoast.co.za](http://www.tourismsouthcoast.co.za)) which encompasses our beach, eco-cultural and activity landscapes along the coast, its undulating hinterland and the inherent cultural tapestries and vibrant welcoming communities.

Tourism contributes approximately 67% towards the Gross Domestic Product within the district and as such it is considered a pivotal sector within the context of sustaining livelihoods and as an employment provider.

Our tourism product base is as diverse as it is captivating which affords the leisure and getaway lover ample choice to suit their interests and affordability- our destination has the ultimate bucket list of things to enjoy and savour and for this reason it remains ripe for further growth and development.

Take a look at our assets and experiences on offer.

## 4 ACCESSIBILITY ADVANTAGES

Convenience of access (physical and information services) is an attribute that affords the South Coast a competitive edge over other distal destinations. The primary reasons for this are due to:

- Multi lane road systems (N2 and R61) to and from Durban and N2 linkage to Eastern Cape to Cape Town.
- Direct scenic coastal rail links to and from Port Shepstone to Durban.
- Margate Airport for private aircraft usage and with daily scheduled Cem Air flights to and from OR Tambo International Airport in Johannesburg and weekly flights to and from Cape Town.
- Air charter services (fixed wing and helicopter).
- Between 40 minutes and 1.5 hours from King Shaka International Airport in Durban.
- Light aircraft field at Scottburgh.
- Multiple ski boat and charter launch sites.

## Ugu South Coast Tourism- Sector Investment Prospectus

- River excursions on the scenic UMzimkhulu and Umtamvuna Rivers.
- Regular scheduled coach and shuttle services to and from Durban and destinations further afield and including King Shaka International Airport.
- Gateway destination for traffic originating from the Eastern and Western Cape and Lesotho. A new highway linking Mthatha and the South Coast (new N2 Highway) scheduled to commence in 2017.
- Location of over 10 tourism visitor information outlets throughout the area- the highest of any tourism area in KwaZulu-Natal.
- Credible letting agencies as members of Ugu South Coast Tourism.
- Demarcated riding, hiking and cycling trails.
- A number of highly respected private and public hospitals, schools and other essential services.
- Two NSRI stations for visitor and ocean users.
- Sustained visitor comfort through access to information and including our unique Sunny and Safe Campaign.
- Reputable car hire brands operate from our main airport at Margate and from satellite offices in the region.

This combination reinforces the ability of the South Coast to draw in various tourism market and niche responses- particularly from South Africa's key domestic markets in Gauteng and KwaZulu Natal provinces. These selling propositions have also drawn in hundreds of residential investors locally and from abroad who have chosen our region for their holiday home investment and each year spend many months savouring our value for money lifestyle options.

Investors are realising distinct merit in seeking suitable return on investment- especially in the property market.

Our area is also earmarked to be part of the national Indo- Atlantic Tourism Route which links the SA coastline into a packaged set of experiences to be marketed to the world via SA Tourism, Tourism KwaZulu-Natal and Ugu South Coast Tourism.

The greater South Coast offers exceptional prospects for investors and this is why for generations we have remained at the forefront of the South African holiday and leisure sector.

This collective of projects and initiatives strongly suggests that the South Coast and its rural areas are gearing up for new tourism growth and associated investment. The district has strived towards a positive developmental paradigm as a means of re-establishing the destination as one of South Africa's **must visit- must stay- must play- must live** places to be.

Our municipalities have recently attained a sound record of governance (with Clean Audits) and have established a competitive set of incentives and quick turnaround time for investors and the processing of enquiries.

## Ugu South Coast Tourism- Sector Investment Prospectus

This paradigm assists us in being aligned towards our stated tourism vision for the South Coast:

### **“To Become The Most Visited Non Metropolitan Tourist Destination In Kwa-Zulu Natal Province”**

Our tourism and leisure marketing and promotional activity is forward thinking and geared towards a set of responsive market segments and niches which link to experiential tourism and includes:

Oceanic Activity & Beach Lifestyle	Eco and Outdoor Adventure/Sports	Participatory Events
Business & Convention Tourism	Sport & Health Tourism	Cultural Heritage
Nature Based Tourism	Hinterland Cross Activity Offerings	Millennial Vibe (the market for growth)

Based on these experiences our organisation drives the promotional activations needed to ensure that participating enterprises have added opportunity towards business success.
